## INNOVATION EXTENSION: Introducing Trefinti & Vykenda

### Extend Your GreenTrust 365 Savings Through February 28, 2026

Our GreenTrust® 365 Early Order Program (EOP) concluded on December 9, 2025, but we're thrilled to announce an **INNOVATION EXTENSION** for our new products: **Trefinti® nematocide/fungicide** and **Vykenda® insecticide/miticide**. This offer for the Ornamental market allows growers to lock in savings through **February 28, 2026**.

### Combine EOP Spend with the INNOVATION EXTENSION for Maximum Rebates

- **EOP Qualification Period Extended:** Exclusively for **Trefinti** and **Vykenda** purchases, the GreenTrust 365 EOP Qualification Period extends through February 28, 2026.
- **INNOVATION EXTENSION Bonus (2 – 3%):** Exclusively for **Trefinti** and **Vykenda**, we're bringing back the popular GT Bonus Booster as an **Innovation Bonus**, allowing you to earn an additional **2 – 3%** on these new products through February 28, 2026.

For **EOP Rebate** and **Yearlong Rebate** qualification, combine all qualifying purchases from the original EOP (October 1 – December 9, 2025) with Trefinti and Vykenda purchases made by February 28, 2026.

**Achieve a Yearlong Rebate:** With a combined spend (original EOP + Trefinti/Vykenda INNOVATION EXTENSION) of \$20,000+, you'll earn a Yearlong Rebate (starting at 7%) on all GreenTrust 365 purchases through September 30, 2026.

- **SummerPay™:** Defer payment until **June 19, 2026**, providing financial flexibility.

### Product Highlights

#### Trefinti nematocide/fungicide

33 oz. bottle | **\$1,296.90**

Volume Discount ≥ 4 bottles | **\$1,188.00**

- A new systemic solution for prevention and control of foliar and root-feeding nematodes for the ornamental market.
- Control of foliar nematodes and diseases such as *Fusarium* spp., Powdery Mildew and more, following drench applications.

#### Vykenda insecticide/miticide

1 qt. | **\$450.00**

- A novel active ingredient in a new class of chemistry, IRAC Group 30, for use on ornamental plants.
- Acts through contact and ingestion against mites, thrips, leafminers and more.
- An excellent rotation partner with Mainspring® GNL insecticide to control nearly all common insects.
